PREFACE.

THIS Calendar of Administrations at Taunton and of Wills in the Royal Peculiar of Ilminster should have made Parts III and IV of Vol. XLV of the Society's Series (issued in 1912) in which appeared Parts I and II (Wills at Taunton), but they were crowded out of that volume. As Parts III and IV do not suffice to make a volume in themselves of the size customarily issued by the Society, it has been decided to issue them as part of Vol. LIII (the second volume of Dorset Wills), judging that as they deal with neighbouring districts of the West Country it will be a convenience to Genealogists to have them issued together. Nevertheless, a separate pagination has been adopted, so that those who wish to do so may place the Somersetshire portion in a separate cover, in which case it could be appropriately numbered as "Vol. XLV α ". And it will be advisable to state here that the earliest administrations, from 1537 to 1593, appear in Part I of Taunton Wills. The next group occurs in the list of ten files ranging from 1596 to 1602 and at the ends of the calendars of the regular series of Wills forming Part II, but though the names appear in these Files and Calendars, the documents themselves commence only at 1700 (except for the years 1643 and 1644), so that all previous to 1700 are starred (*), which signifies that they are not now in existence. It is evidence of a negative kind that persons died about the year indicated, and may very likely be useful on this account.

For further information on these Courts and their records the student is referred to the Preface of Vol. XLV (Taunton Wills).

PART IV.

ILMINSTER ROYAL PECULIAR.

In *Somerset and Dorset Notes and Queries*, vol. vii, pp. 13-17, is an interesting article by the late John Batten, giving a history of the Royal Peculiar of Ilminster, together with a good many Marriage Licences, which he extracted from one of the books he had access to. To the names of the officials and Registrars Mr. Batten gives may be added those of Rev. R. Abrahams, official, and Mr. Langworthy and his son, and lastly Mr. J. Baker, who was the last Registrar in 1857, when the testamentary jurisdiction was taken away from all Peculiars by the operation of the Probate Court Act of that year.
